SUMMARY

Results-driven Front-End Developer with hands-on experience in building responsive, high-performance web applications using **React.js, Next.js, and TypeScript**. Proficient across the full MERN stack with practical knowledge in developing RESTful APIs using **Node.js, Express.js, and MongoDB**. Experienced in modern state management (TanStack Query), server-side rendering (SSR), and translating complex designs into clean, scalable code. Passionate about clean architecture, UI/UX best practices, and continuous technical growth.

PROFESSIONAL EXPERIENCE

Freelance Front-End Developer | Self-Employed (2024 – Present)

- Designed and built end-to-end web applications, e-commerce platforms, and news portals for various clients.
- Translated Figma designs into high-fidelity, pixel-perfect, and fully responsive web pages.
- Integrated third-party APIs and headless CMS platforms (Strapi, Sanity) for flexible content management.
- Applied performance optimization techniques (image optimization, code splitting) to ensure fast loading times.

SKILLS

- **Languages & Core:** JavaScript (ES6+), TypeScript, HTML5, CSS3
- **Front-End & Frameworks:** React.js, Next.js (App Router, SSR), Redux Toolkit, TanStack Query
- **Back-End & Databases:** Node.js, Express.js, MongoDB, Mongoose, RESTful APIs, Firebase, Strapi
- **Styling & UI:** Tailwind CSS, Bootstrap, Shadcn/ui
- **Tools & Workflow:** Git, GitHub, Postman, Figma, Vercel, Netlify

PROJECTS

[Personal Projects Portfolio](#) 🔗

- Built and deployed full-stack web applications, including a Spotify-style music platform, an e-commerce store, and a React/Strapi app.
- Applied modern front-end practices using React.js, Next.js, TypeScript, and Tailwind CSS along with RESTful APIs.
- Live demos and full source code for each project are accessible directly on the portfolio website.

LANGUAGES

- **Azerbaijani** – Native
- **English** – Elementary
- **Russian** – Beginner

EDUCATION

Software Engineering for Automated Systems and Computing

College of Western Caspian University

Frontend Development

Code Academy
